Dear Parents and Caregivers,

Thank you to the small group of parents who were able to attend our Parent/Teacher night. We trust it was informative, if you were unable to attend the main messages of the evening were; all staff at Bonville have high expectations of all our students across all aspects of their school life; our school is embracing meaningful partnerships with our parents and the community to best meet the needs of all our students; whilst we’re a small school, we certainly pack a punch with what we offer our students across the academia, sporting and cultural arenas; and importantly our staff care! So if there are any issues pertaining to your child please contact your child’s teacher at the earliest.

Parents are invited to the Parent Workshop on Helping My Child Succeed in Maths being held on Wednesday 13th March from 7:00pm. Please let Trish in the office know if you will be attending for catering purposes.

Congratulations to all our students who attended the Toormina District swimming carnival last week. Your level of participation and support for one another was recognised by many people including teachers and parents from other schools. Thank you also to the mums and dads who were able to assist with transport and the management of our school team whilst our teachers were officiating. Mentioning the level of participation from our students it is pleasing to note that our students were represented in 100 individual entries compared with 32 entries, 119 entries, 112 entries and 99 entries from other schools in the Toormina District, all of which have between 3 – 4 times our school enrolment numbers.

One third of our District swimming team qualified for the Mid North Coast swimming carnival. A Fantastic effort everyone and well done to those fortunate enough to have progressed to the next level. A very special mention to Kasey, Kasey won Toormina District Senior Girl Champion. Good luck today kids!

Adam had the Goodes

On Tuesday afternoon two special guests from the Sydney Swans Adam Goodes and Jordan Lockyer came to school to promote a great opportunity for our kids to take part in the Auskick program. This is a 6 week program held during our school sport time and is open to students in Yrs 3-6 at a cost of $27.50. details are provided with today’s newsletter. Adam and Jordan spoke very highly of our children, their level of questioning and enthusiasm.
3/4 Assembly
Please come along to the 3/4 assembly this Thursday from 2:15pm. The Djembe group and the Private Tuition Ensemble will also be performing their first gig! We look forward to seeing you.

An exciting new partnership
Bonville PS is pleased to announce a new and exciting partnership with Hopscotch Preschool. This partnership will involve 56 4 and 5 year olds visiting our school as part of a transition program on a weekly basis for the duration of the year. Our school will benefit greatly from this transition program, involving pre-schoolers joining us for fitness and morning tea, our students will gain increased leadership opportunities and it is a wonderful opportunity to promote our school across the wider Coffs community. The transition program commences in Week 6 and we hope it will be sustained for years to come.

Last week Charli successfully made the MNC PSSA Girls cricket team. Charli will now trial for the North Coast team. Good luck Charli!
