Dear Parents and Caregivers,

Bonville students take a bow! Our students enjoyed a magnitude of events over a 24 hour period last week. The results were clear! Our students have a much deeper understanding of Harmony Day and why living in harmony is so important in Australian society where most of us can draw our ancestral roots back to other nations in just a few generations. We must live in harmony through developing a respectful understanding and appreciation of one another. The SRC fundraiser ‘80’s theme school social raised $78 for Stewart House. Well done kids!

And to cap off, on Friday many students made their way to school on bikes, scooters or by foot to celebrate Ride to School Day. They all enjoyed a great breakfast topped with fruit and juice. What a healthy way to start the day. K-2 also enjoyed a well organised swimming carnival.

Harmony Day was a fantastic opportunity for our students to learn, value and appreciate cultures from around the world.

I would like to thank Mrs Jaye Gilchrist for her sustained support of Bonville Public School. Jaye has been the P&C Secretary during my time at Bonville and previous to. She stood aside this year as Secretary and we appreciate and value the great work she has done.

Library News
Thank you to everyone who has returned their overdue library books, this keeps the books in circulation and others are able to borrow and enjoy them. If you haven’t found them yet please keep looking. Another big thank you to the P&C for supporting the library with the buying of new books. Bonville has a great selection of fiction books and it is mainly due to the continued support of the P&C, thank you. Happy reading!
