Dear Parents and Caregivers,

Last Thursday a very successful school PSSA swimming carnival was held at the Coffs Harbour Memorial Pool. The success of this carnival was due to the overwhelming majority of parent helpers, great high school students from Toormina High and the very high level of participation from Bonville students. Feedback received from staff and parents was very supportive of the school carnival being held in the 50m pool in Coffs Harbour. Thank you Mrs Watson for a very well organised carnival!

On Friday the Bonville boys cricket team competed against Sawtell PS at Toormina Oval. Sawtell PS won the match. Sawtell batted well and also had more favourable conditions than Bonville boys. Congratulations boys on a great effort. The level of ball skills has improved considerably in 12 months with great bowling and fielding all round. Further batting practice would prove to be beneficial in 2015. Thank you Mr Karrasch for the many hours of coaching and umpiring and thank you parents for assisting with transporting the cricket team. Best bowler – James, 5 overs 1 wicket for 10 runs. Best Batsman – Ryan, 7 runs.

On Wednesday evening there were around 18 parents in attendance at the Parent Workshop on Learning Continuums. Please be reminded this THURSDAY Cyber Safety presented by the NSW Police.

**P&C URGENTLY REQUIRES YOUR SUPPORT!**

The Rotary Bookfest is coming up and requires ‘man-power’ to move and sort books. Last year the P&C received $3700 and hope to increase this amount this year, only with assistance from YOU! This money is fed back into the school to support the learning needs of all students. Please complete the request form which was sent home last week or contact Trish in the office.

**Upcoming Parent Workshops**
- Thursday 27th February Cyber Safety 6pm-7pm.
- Wednesday 5th March Emergency First Aid Management for Asthma 6pm-7pm.
- Wednesday 12th March Rock and Water 6pm-7pm.

This week’s focus – TOES!
We use our toes to balance. As children and adults we need to balance OUR responsibilities. At Bonville we encourage all students to become responsible learners by being responsible for their own learning.

**Update Emergency Care and Response Plans**
There are still a number of students with out-dated Emergency Care and Response Plans. This includes students with ASTHMA. These plans are the responsibility of parents/carers. Please ensure the school receives an updated plan.

**Bouquet of flowers**
Many families have generously paid the school voluntary contributions. Thank you!
