Dear Parents and Caregivers,
Throughout last week Bonville Public School had been a hive of activity. Most pleasing to see were the many students from all classes finalising and rehearsing their **Kids Teaching Kids** presentations. The children are very excited to be able to present their projects to parents on Wednesday from 11:30am. We hope you can join us in their celebration of learning.

**Nationally consistent collection of data on school students with disability – 2014**
Our school is participating in the collection of nationally consistent data on school students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability. The data collection will have no direct impact on your child and they will not be involved in any testing process. The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students. Information about the Australian Government’s Privacy Policy can be found here: [http://education.gov.au/condensed-privacy-policy](http://education.gov.au/condensed-privacy-policy). Information about the NSW Government’s privacy policies can be found here: [http://www.ipc.nsw.gov.au/](http://www.ipc.nsw.gov.au/)

If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

If you have any questions about your child being included in the data collection please contact the school. If you need help with English to make an enquiry contact the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. The operator will call the number you provide and get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

Last Friday twelve girls from our school played a game of soccer against Bellingen Public School. Although we didn’t win it was a very exciting and challenging game. The final score was 11-1 to Bellingen. All our girls played very well and are all looking forward to playing again. By Tal!
