Dear Parents and Caregivers,

This week notes will go home inviting Year 3-6 students to participate in a series of ‘wellbeing’ workshops including: Kicking Personal Goals (Allan Sparkes), Building Confidence (Katie Pitsis), Rock and Water, Resilience Program, Cyber Safety, Surf Etiquette and Kids Matter Program. All workshops are designed to build confidence, strategies and awareness in wellbeing so that our children grow into healthy and happy teenagers and adults. Parents are welcome to attend the wellbeing day as well. Unfortunately parents and community will not be able to participate in the workshops with children. However there will be an EXPO of local community support networks. The expo will be attended by professionals within specialized areas. LUCKY DOOR prizes will be up for grabs for community members who attend the EXPO including a new surfboard and skateboard. We hope to see you all there!

Toormina High School ENRICHMENT CLASS -Reminder
Students moving into Year 7 at Toormina High School are strongly encouraged to apply for the Enrichment Class. Application forms are available from the office and MUST be returned to Bonville PS by Friday 13th June (this week).

Bouquet of flowers
Thank you to the many mums, dads and grandparents for being a great audience for Bonville students during the Kids Teaching Kids presentations.

2/3 Assembly
Will be held this Thursday in the Memorial Hall from 2:20pm.

The Art Exhibition
Community donations of artwork for auctioning and sale are greatly appreciated. The art Exhibition will be held on Wednesday 20th August in the Memorial Hall. All art donations can be left at the office.

Life Education Van – REMINDER!
The Life Ed. Van will be at Bonville PS next week. The program costs $9 per student.

From the Student’s Desk

**Take 3**
Take 3 is an organisation, a team of dedicated volunteers, a crew with a single mission - to save Earth’s oceans, but we, the human race, are singly responsible for their greatest adversary – plastic.

The plastic bag has been around for over thirty years, and in that time it has wreaked havoc creating more damage than a nuclear bomb ever could. It has also given birth to the most incredible problem faced by mankind yet, The Great Pacific Garbage Patch. But a speck of light is growing in the void of our ignorance. The public is realising what’s wrong. It’s true, ignorance is bliss. But ignoring this will only lead to our doom. So, without hesitation, people are throwing down their spare time and joining the move. Will it be too late? Will our descendent curse us and grow to despise us for the problem we’ve left them? Or will they praise us for generations to come?

Here’s the major drawback. Take 3 fades from our minds. We get distracted, we get lazy. We need to learn to live Take 3, breathe Take 3, think Take 3 and speak Take 3. It needs to be at the front of our minds. Let’s work together to rid our world of stinking trash and Take 3 next time you visit the beach.

Kids Teaching Kids
Bonville Public School students are inspired to be connected and challenged with real world issues.

On Wednesday 4th June Bonville PS students presented small workshops based on the framework ‘Kids Teaching Kids’ to the school community. Kids Teaching Kids is a gifted and talented program which promotes positive wellbeing and helps build resilience in young people. The program was initiated by a Young Australian of The Year (2001) Arron Wood to raise awareness and drive action on local and global environmental issues.

Students from K-6 worked in small groups to present workshops on ENERGY. From Kindergarten to Year 6 students researched and developed presentations which were engaging, educational and fun. The students worked diligently researching, experimenting and collecting data to design informative, technological and creative presentations for the entire school community. This was a culminating event to celebrate a successful teaching and learning opportunity.

Bonville students as experts!
P&C News
There is a P&C meeting tomorrow night (Wednesday 11th June) from 7pm in the library. New members are most welcome.

Small school, big family, great results!

Have a great week.
