Botswana Day

Last week a large number of Bonville students presented their Botswana projects to the Bonville Country Women’s Association (CWA). The overwhelming number of students who participated gave a great deal of happiness to the local CWA ladies. The Bonville CWA have been very generous towards Bonville PS over many years and this once a year event is a small yet appreciative way of saying thank you to members of the Bonville community.

Kindergarten Orientation

Tomorrow is the first of a series of 2015 Kindergarten orientation days. There are currently 29 kindergarten students attending the first orientation day. This is an indication of the wonderful reputation Bonville school has and is continuing to build upon as an outstanding setting for your child’s formal education.

School Improvement Team

Are you interested in the future directions of our great school? On Tuesday 26th August there will be a School Improvement team meeting from 6-7pm. Existing and any new members are welcome. There will be a discussion around the school’s vision, strategic directions and the 5P planning process.

Congratulations Spelling Bee champs, Rohan, Sam, Zack and Ben!

Congratulations Mrs Hart

Over the weekend Mrs Hart was one of over 83 thousand competitors taking part in the City to Surf to raise over $4million for charity. Congratulations Mrs Hart!

Thank you Lend Lease! Lend Lease have chosen Bonville PS to do a community project. We are hoping to have the outdoor learning area commenced, an extension of the footpath from the canteen through to the COLA and a concrete slab for a new sports shed. Work is expected to be completed by Term 4.

Thank you Keith and Andy (Wil Bradley’s dad and grandpa) as well as 6 other friends from the ‘Bonville Men’s Shed’ who volunteered their services at the Coffs Coast Cycle Challenge last weekend and raised $800 for our school. Your support is invaluable!

Small school, big family, great results!
Have a wonderful week.
