Dear Parents and Caregivers,

This week the Bonville Public School Presentation Assembly will be held on Wednesday in the Memorial Hall from 9:30am. The Presentation Assembly recognises the achievements of all students though only a select few receive an award. It is also a time for the school community to reflect on the past 12 months, how far individual students have developed and to celebrate their growth and achievements. Throughout the past 12 months many things have been unfolding behind the scenes including frameworks to support student wellbeing as well as DoE and school reforms. As a school there is so much to be proud of. Bonville Public School is at the forefront of department reforms, student growth data is positive and the school operates exceptionally as a community. However, the most important factor is Bonville children are safe, happy and engaged in learning.

The Presentation Assembly concludes with a morning tea for volunteer parents. This is an opportunity for the school to say THANKS for your support throughout the year. The thank you morning tea will be held in the library and is not for school age children. We hope you can join us!
