Dear Parents and Caregivers,

This week the Life Education Van is visiting Bonville PS on Monday and Tuesday delivering programs to children K-6. The Life Education Van has been delivering programs across the Mid North Coast region for many years. Curriculum areas covered by Life Education include PD/H/PE with a focusing on Nutrition and Hygiene for younger students and progressing to prescribed and non-prescribed drugs for older children. Students who are in Year 6 will have the opportunity to bid farewell to their favourite giraffe, Harold, who has been by their side since Kindergarten when they visit the van.

This Wednesday evening between 6-7pm a workshop will be presented on ‘How to help your child with Maths’. The workshop will briefly look at the Mathematics K-10 Syllabus, a typical maths lesson at Bonville PS and fun games the family can play to encourage the love of mathematics in children. We hope to see many of you in attendance.

Student safety is paramount. Please be reminded that the parking directly in front of the school’s main gate is limited between 8:30-9:30am and 2:30pm and 3:30pm. These changes were put in place a couple of years ago for the safety of all children. Last week infringements notices were handed out by the police. There is plenty of parking along Andren Close where the buses turn around for parents wishing to leave their motor vehicle unattended. Again, please ensure you are familiar with the signage as there is a designated ‘Bus Zone’.

This Thursday, weather permitting, the Boys PSSA Football knockout will be played against Sawtell PS. Good luck boys!

Don’t forget to return the Parent/Teacher Interview note with a selection of times you would like to meet with your child’s teacher. If your ‘preferred’ times have already been taken then class teacher will ‘offer’ an alternative time closest to your preferred times. If this is not suitable please advise your child’s teacher and an alternative arrangement will be made.

**Track Pants available**
The school still has a supply of track pants available for a reasonable price $10 each. Sizes available include: 10s 12s, Adult 12s, 14 and Adult 14s.

**Parent Workshops – Bonville PS A Centre for Learning!**

**How Maths is taught – How to help your child with Maths at home!**
Everyone is welcome to attend. The workshop will be presented **this Wednesday** between 6-7pm in the library.

**Bouquet of flowers**
Bonville Public School students always put a smile on their teacher’s face. Thank you Bonville students.

---

**HIP HOP**
Please be reminded that payment is due weekly if students have not paid the full amount up front.

| What's On This Week! |

**Adamriginal**
Adamriginal is a visiting performance. Notes and information was sent home last week. Adam is an Aboriginal performer who has entertained people around the world. Some of his work includes performing for Nelson Mandela, the opening of The Rugby World Cup and Australian Idol finals. The performance will be held at school on Wednesday 3rd June. The cost of the performance is $6.50 per student.

Class 1/2 looking at insects in Science

**Bonville students are focused, balanced kids!**

**Small school, large family, great results!**

**Have a lovely week**

Michael Hepi
Principal
