Dear Parents and Caregivers,

The remaining 14 school days left of term will be action packed with many school activities planned. Below is an extended ‘What’s On This Week’ covering the last 3 weeks of term. We hope our school community can join the various opportunities available to meet class teachers and see the great things our wonderful school has to offer.

Parents of children in Years 4 and 5 are invited to a quick meeting tomorrow evening from 6pm in the library. This meeting will outline options for the Stage 3 (Year 5/6) major excursion in 2016. Options include a Brisbane excursion or Darlington Park camp. Planning must commence as soon as possible.

Parent/Teacher interviews commence next week. The school thanks the many parents who have taken the opportunity to meet with their child’s class teacher. Year 3-6 interviews will be ‘3 way’ whereby students will also take part in the interview process. Semester 1 Student Reports will be presented at the Parent/Teacher interviews. For those parents who did not make an appointment your child’s report will go home on the day of their class interviews. Please be punctual at the Parent/Teacher interview as this could affect following interviews.

Spelling ICAS Class K/1 Parent Teacher interviews

---

CWA International Day
Each year Bonville students participate in the CWA International Day. This involves students doing a mini project on the chosen country. This year the country is ITALY. We encourage all children K-6 to complete assigned activities for homework. The CWA International Day will be held at the Bonville Memorial Hall on Tuesday 23rd June from 11:30am.

Bouquet of flowers
Over the past couple of weeks Naomi (Zane and Remi’s mum), Felicity (Myah’s mum), Carol (Nancy and Oli’s mum) and Megan (Angie’s mum) have been preparing the canteen for a fresh paint job. The canteen looks like new. Thank you ladies.

P&C News
The next P&C meeting will be held this Wednesday 10th June from 7pm in the library. Everyone is welcome to attend.

PSSA Netball Gala day
Last Friday Bonville’s netball team travelled to Vost Park for the annual Netball Gala day. Unfortunately the girls were defeated in their first round. Again, Bonville student’s sportsmanship and encouragement was noticed by the public. Additionally, Mrs Hunter is to be commended for the outstanding organisation of the carnival. Below is an extract from an email I received off a teacher from Nambucca Heads PS. ‘I just wanted to send a GIANT thank you for today! It was such a brilliant day even with the unfortunate rain. The girls had an absolute blast. I know how time consuming organising a day like that can be so thank you again for putting all your time and effort in. It was run beautifully and it’s very appreciated from all of N.H.P.S.’

Thank you Mrs Hunter!

Bonville Netball team
**Adamriginal**
The Adamriginal performance was a huge hit with almost every child in attendance. Adam proved to be a very talented performer who engaged the children throughout the show.

**Principal Meetings**
Over the last couple of years the Department of Education and Communities began rolling out new and exciting reforms designed to give schools more flexibility to best meet student learning needs. These reforms are unprecedented and have changed the way teachers teach, leaders lead and schools are managed right across NSW. New things come at a cost. This cost has been an increase in meetings with the Director, collegial meetings with other principals and professional development around new policies and programs. As a teaching principal I have designated Thursday and Fridays off class. These days tend to coincide with meetings and professional development but not always. Recent reforms and policies being implemented include: The Performance and Development Framework for teachers and principals, Principals as Teacher Accreditation Authorities and the new Teachers Award. This Friday morning I will be participating in a video conference with the Director around ‘practical ideas to support the implementation of NSW Syllabus’. Following this I will be meeting with Principals from the Bellinger River Small Schools Network to plan milestones for the School Plan. In the afternoon I will be meeting with the Bongil Bongil principals.

**Hip Hop Invoices**
This week invoices will be sent home with children who have outstanding monies for the Hip Hop program.

**Hip Hop**
The school social will be held next Thursday 18th June from 5:30-7pm. Sarah, the Hip Hop teacher will be attending and each class will present their Hip Hop dance item from 6.20pm. The hall doors will be open to parents from 6.15pm. Please come along early to watch the great dance moves Bonville students have gained.

**Principal Leave**
From Monday 22nd June I will be taking leave to travel back to the USA for family business. Mrs Hunter will be relieving as principal during this time. The school will be left in great hands with our experienced and professional staff.

*Bonville students are focused, balanced kids! Small school, large family, great results!*  
*Enjoy your week.*

Michael Hepi  
Principal
