Bonville Public School participates in the Commonwealth Bank School Banking program. The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit of any amount earns your child a Dollarmites token. Once they’ve collected 10 tokens they can redeem them for a reward. The Outer Space Savers rewards for 2015 include ET on DVD, Intergalactic Rocket, Glow-in-the Dark Solar System, Invisible Ink Martian Pens, Money Box and Lunar Light Band!

When your child makes their first deposit at school they will earn their first Dollarmites token and our school will receive $5 commission, as well as 5% commission for every deposit made at school.

Daffodil Mufti
Bonville students raised $109.20 towards the Cancer Council’s Daffodil Day.

Bonville students are caring, happy kids!
Small school, large family, great results!
Have a Happy Father’s Day.
