Dear Parents and Caregivers,

Bonville has been able to implement a range of new programs to help our students over the past few years as a direct result of funds we have received from the GONSKI reforms. The NSW Public School Alliance, which is comprised of the peak bodies that represent school teachers, principals and parents, have asked schools to promote their video: www.youtube.com/watch?v=nGV8EcpbiwY that supports full implementation of GONSKI funds. For those of you who know about GONSKI, but don’t quite get the details, search ‘what is GONSKI’ on youtube.

The Musciale is over. What an experience for every child who was involved. The Bongil Musicale highlights the great partnerships between the local public schools as well as the incredible talent of all students who were involved. Mrs Hunter and Miss McKillop should be congratulated for the enormous amount of personal time they both invested in the musicale over the past 18 months with endless planning meetings and rehearsals. For those who saw the Musicale first hand you would not have been disappointed. Congratulations everyone involved!

Past Bonville School Captain, Imogen Hely, brought to school last Wednesday a lovely tree which was planted with Charlotte and Arabella. The tree was planted in the Year 6 garden and serves as a Memory Tree for students and the rest of Bonville school community who need to take a short time out to reflect, remember and be cheered up when they’re not feeling 100%. The tree was a lovely gesture by the Hely family and will be enjoyed by many people for years to come.

This week marks my 4th year at Bonville and my last week for the remainder of 2016. It has been an absolute pleasure seeing Bonville Public School develop into a school for 21st century learners. Over the past 4 years Bonville’s student population has grown from 88 students to 140 with a considerable number of potential kindergarten enrolments for 2017. Bonville is a strong school, blessed with great kids, dedicated staff and very supportive parents – a recipe for success!

I look forward to the next 6 months as principal at Toormina Public School. Being a larger school and establishing positive relationships with new students, staff and community is a challenge I look forward to!

Kindergarten enjoyed building cubbies as an extension to their project based learning activities reinforcing in class activities. The importance of ‘doing’ and ‘making’ enables the children to make meaningful connections with their learning. It was great to see 21st century learning going on during the build. Co-operating, communicating and problem solving was the order of the day. Well done Kinder!

Bouquet of Flowers

Kindergarten parents gave their day last Wednesday to assist with the serious task of constructing ‘cubbies’. I think these parents enjoyed the process as much as the kids. Thank you mums and dads! The Musicale kids looked like ‘stars’ thanks to Cheron, Trish and Naomi for the hair and make-up.
