Dear Parents and Caregivers,

Arriving to work is always a pleasure! To be surrounded by wonderful students who always greet you with a smile and a friendly hello, simply is the best. Knowing every staff member, including teachers, support and administration staff, always strive to cater for each child’s educational needs is reassuring that at Bonville PS great things are happening in each classroom, every setting, all day. We know we’re not perfect. However, we always listen and take on-board feedback given by students, parents and staff. The leadership team along with all staff at Bonville PS strive to ensure our great school remains at the forefront of current teaching pedagogy and Department of Education reforms and priorities. In doing so, Bonville PS remains a school supporting first class teaching in a quality educational setting. We are equally blessed by having a very supportive community of parents and carers. Working together is powerful!

Toormina High NEWS - Reminder
Create your future at Toormina High School
Toormina High School is a great place to work and learn. We are a progressive public high school which provides students with enriching academic, sporting, cultural and community opportunities. Our school motto is 'Creating Our Future' and central to our school ethos is a strong commitment to humanitarian values, based on personal integrity and social responsibility.

One of the many opportunities offered to students at Toormina High School is enrolment in our Year 7 Extension Class. Students who are offered a place in this class benefit from an educational environment which challenges and extends their intellectual and creative thinking and builds upon their leadership potential. Applications and information for the Year 7 Extension Class are now available through your local primary school or from the Front Office at Toormina High School. Completed applications must be returned to your local primary school by Tuesday 14th June.

Whether you apply for the Extension Class or not, Toormina High students are supported by passionate, dedicated and caring staff who strive to make sure that every student reaches their potential. All enquiries should be directed to:
