Dear Parents and Caregivers,

The Professional Learning Community of Bonville, Crossmaglen and Repton Public Schools will be beginning the next round of QTR (Quality Teaching Rounds) this Thursday. QTR is based on the work of Educators at the University of Newcastle’s School of Education. It is based on objective observations of school and classroom practice by a professional learning community. The Quality Teaching Model is utilised to inform and improve decision-making about student learning. Mrs Clydesdale and Mrs Hunter are part of the Professional Learning Community for Bonville and will be at Repton Public School on Thursday for the first observation of this round.

Spelling Bee
Congratulations to Jacob, Hannah, Elena and Sam, our Spelling Bee champions. Notes will go home soon for the next level of the Spelling Bee.

Bouquet of Flowers
Thank you to Lisa and Karlie for all of the extra hours that you put in with the meal deal. The spring rolls and fried rice were beautiful!

Coding
If you have not paid for coding yet, please send your money in this week and give it to your class teacher.

Yarrahappini
The final payment is due for the Stage 2 Yarrahappini excursion. If you have not paid please make your final payment this week. Just over two weeks to go!!

Assembly
This week is 1M’s assembly at Bonville Hall commencing at 2:20pm. Everybody is welcome.

Mid North Coast Athletics Carnival
Congratulations to Ben Keough who came first in the 100m final at the MNC Athletics Carnival last Friday and is now off to the North Coast Competition. Well done to the junior boys relay team who came fourth and are now reserves for the North Coast. Well done also to Blake Taylor, Tayla Morgan and Madi Paulger-Jerrett for putting 100% effort into their events.

Father’s Day Raffle
We have great prizes in our Father’s Day Raffle. Raffle tickets are attached and there are more available at the office.
1st prize: Men’s bike
2nd prize: Harrows Pro Choice Dartboard and Cabinet
3rd prize: Accelerator Pro Golf practise set
4th prize: Socceroos Jersey
5th prize: Evospeed 6 cricket set
Tickets are $1 each. Raffle will be drawn on 2nd September.

What’s Happening In 1M?
This term 1M has enjoyed learning all about the Olympics. We have compared the ancient Olympics to the modern Olympics to find similarities and differences over time and have investigated the host country of Brazil. Last week we researched the Rio Olympic mascots and used this information to write information reports. We used our mathematical thinking, estimation and measuring skills to compete in our class Olympics which involved challenges such as the long jump/step, balloon volleyball, paper plate discus and synchronized swimming/dancing. Miss McKillop

Students enjoyed live streaming the Olympic finals at recess as a special treat.
Athletics Carnival School Champions

Junior Boy Champion: Ben
Junior Girls Champion: Lara
11 Year Boys Champion: Sam
11 Year Girls Champion: Alexis
12/13 Year Boy Champion: Blake
