Dear Parents and Caregivers,

What a busy week we have coming up this week. Stage 2 are off to Yarrahapinni on Wednesday for 2 nights, have a great time everybody. Thank you to the parents who have bravely volunteered to attend this excursion!

Today K-2 will receive our annual Responsible Pet Ownership Program where they will meet a Sausage dog named Ellie and learn about safe and unsafe ways to approach dogs and how to look after their own pets.

On Tuesday we have a visit from Camp Quality. For over 25 years the Education Program has transformed thousands of schools by helping children and teachers learn how to create a supportive school community for children affected by cancer, whether they are living with cancer themselves or have a family member living with cancer.

P&C News

Thank you to all of the parents who assisted in cooking and serving the hundreds of sausages at the Bunnings BBQ on Saturday. There were lots of hungry and thirsty shoppers that just kept coming back for more. The P&C raised over $2000. Well done to the P&C.

Father’s Day Stall

Thank you Nat Cuthel for once again providing some great Father’s Day gifts at the Father’s Day stall last Friday. If your child chose something but had not paid for it, they are being kept at the office this week, so please send the money in to your class teacher and your child will receive their gift.

Bouquet of Flowers

Thank you to all of the parents who helped at the Bunnings BBQ on Saturday.

Assembly

This week will be KH’s assembly. Everybody welcome, beginning at 2:20 at Bonville Hall.

Canteen

Lisa doesn’t have any helpers to work in the canteen on the 16th September. If you are available could you please call Lisa on 0438 258 622. If there are no volunteers then the canteen will be closed on the 16th September.

What’s happening in KW?

Students in KW are scientists!

The children have asked questions, formed hypotheses, experimented to test their hypotheses and collected data to form conclusions. The children have enjoyed constructing experiments, observing results and forming an understanding of the data they have collected through discussions. Great fun was had during Visual Arts making a ‘Mad Scientist’.

KW also studied the Rio Olympics. Each day, a tally was made of Australia’s medal count and a picture graph was constructed. Students also researched where Rio de Janeiro is on a world map, where the Olympic Torch travelled and special symbols of the Rio Olympics.
Father’s Day Raffle
We have great prizes in our Father’s Day Raffle. Raffle tickets are attached and there are more available at the office.

1st prize: Mens bike
2nd prize: Harrows Pro Choice Dartboard and Cabinet
3rd prize: Accelerator Pro Golf practise set
4th prize: Socceroos Jersey
5th prize: Evospeed 6 cricket set

Tickets are $1 each. Raffle will be drawn on Friday.

Cheyenne is the lucky owner of the 2000 Olympic Torch

Facebook Page
Did you know that there is a “Bonville Public School Parents” Facebook page? It is a page created by parents – for parents. Great for busy parents as there are reminders about upcoming school events. It’s an easy way to stay connected with happenings at our awesome school.

Have a wonderful week!
Francine Hunter Relieving Principal

Small school – Large family! Great results! Bonville students excel

Plant Donations
Bonville School is asking for any donations of plants for the front garden. If these could be dropped off at the front office.
Thank you in advance for any donations.

Missing or Stolen Colt Foal
Missing or stolen from Gleniffer Road Bonville. Family very sad and worried. Colt foal approximately 6 months old noticed gone 13/08/2016
