Dear Parents and Caregivers,
I hope all the dads had a relaxing Father’s Day with their children on Sunday. Congratulations to our Father’s day raffle winners.

On Saturday, our dedicated teachers attended Professional Learning presented by Bill Rogers. Bill Rogers is a respected education consultant who conducts training and seminars with schools and universities in the areas of behaviour management; discipline; effective teaching; stress management and teacher welfare. All of our teachers took away some valuable messages from the presentation.

Bouquet of Flowers
Thank you to Trish Isles, Darren Long and Rina Chodkiewicz for attending the Yarrahapinni excursion with our stage 2 students. Thank you also to Richard Sampson and Erin Chapman for driving down for the day to assist. Thank You to Julie Elvrey for the donation of plants for our garden.

Canteen
Next Friday, 16th September, the whole school will be going on a short trip to Boambee Community Hall to have a quick preview of the Art Show. This will be occurring over lunch, therefore all students will be required to bring their lunch that day, the canteen will not be open for lunch, only recess. Notes will go home this week for the excursion.

The canteen is no longer selling noodles.

KH Assembly
Well done to KH for your outstanding Gruffalo performance at assembly last Friday.

The O'Connor Family
Megan and her family are moving interstate at the end of this week and the school has much to thank them for. They have been fantastic parents and definitely have made a great contribution to our school. Megan has been at every fundraiser the school has had, putting in a lot of time and energy without complaint. You are one in a million Megan and we will miss you!
Thank you Megan, Damian, Angie and Peter - we all wish you the best.

What's happening in 4/5/6S?
The grand art show is just around the corner and 4/5/6S have been working tirelessly on perfecting their artworks. For this art show 4/5/6S did not want to conform to mainstream art and decided to do something a little bit different from a painting or drawing. This year it was decided by the class to make an animal sculpture. We decided that nature would be our inspiration and we have been outside scavenging and collecting materials for our sculptures. Some students have been working in teams while others have chosen their own artistic direction when working in class. Some pieces to look out for are the bottlenose dolphin, emu, snake and cassowary. Thank you to the P&C for supplying us with our art supplies and we hope everyone enjoys our art display on 16th September.
The Art Show is fast approaching. Every student will have a piece of artwork for sale at the Art Show. There will also be auctions and lots of artwork for sale by talented artists from the local area. Leave the evening of 16th September free and come along to Boambee Community Hall for a great evening.

Have a wonderful week!
